

CHAPTER II: CORRIDOR OF STONE

[3/16/2024, 8:17:41 PM] Nahele My'runji

{Game Time: Oct 26, 2023 00:03}

With notice given out asking for volunteers to join a convoy to head to House Mustapha, in order to speak with the head of House regarding information that had been collected providing proof to the Houses actions against House Kimura. How they had been behind the caravans that had gone missing as well as the people that were assigned to escorting the goods. With the volunteers gathered the group quickly started south, three days have passed since their departure. The sun hidden behind dark clouds and rain slowly started to fall as the group started their trip through the tight mountain path, rocks tumbling as they moved, puddles of mud slowly starting to form and grow, the rocks starting to get slippery. The only sound that could be made out was the echoing steps of the group and the sounds of splashing with each step into a puddle, the wind causing the rain to sting their faces. By the time the group made it to the end of the mountain path the rainfall seemed to only get worse, everyone was drenched, their shoes and pants covered in mud. A slight sigh leaves the Thane as a large clearing comes into view. "Almost through, everyone. A clearing just up the way to make camp and get out of the rain..as much as possible anyways." She glances over her shoulder at the group, her brows pushed together in worry for everyone. There would be no fires to warm anyone up, nor to dry their clothes and themselves. "Let's hope that by morning the rain has let up."

[3/16/2024, 8:19:14 PM] Nahele My'runji

{Game Time: Oct 26, 2023 00:03}

Nahele My'runji would pace himself behind the group. He wasn't too far behind but hung back just enough as he was admiring the cliffsides, even with the annoyance of the rain pelting against his face and soaking his leather armor.

[3/16/2024, 8:19:49 PM] Melio'rai

{Game Time: Oct 26, 2023 00:03}

Mira ties her dampening hair into a long braid and curses the timing of the rainfall. This was not going to be a pleasant journey.

[3/16/2024, 8:20:26 PM] Maxwell Rene

{Game Time: Oct 26, 2023 00:03}

Maxwell Rene is dressed more practically today, with clothing he can comfortably travel in, and a longcoat that is serving him well in this rain. He doesn't have any commentary to offer at the moment.

[3/16/2024, 8:21:02 PM] Khalil Valure

{Game Time: Oct 26, 2023 00:03}

Khalil Valure stands ready with the group, his leather armor attached snugly to his body and sword strapped at his side. He listened as the Thane spoke, ready for direction

[3/16/2024, 8:21:11 PM] Aramanda

{Game Time: Oct 26, 2023 00:03}

Ara held her cloak closer to her, looking up at the rain and scrunching her nose with delight. Being from the desert, she never tired of rain, though she had to admit this was a bit much. She kept her eyes on those around her out of habit, offering an encouraging smile here and there, though she remained mostly silent.

[3/16/2024, 8:21:58 PM] Riji Calderon

{Game Time: Oct 26, 2023 00:03}

Riji keeps pace as his boots squish into the muddy ground. The road was not well paved, and the slope coming off the mountain made it very slippery. His armor was drenched, and he could feel his undershirt soak. He was bundled tightly enough that he still felt a little warm, but knew they couldn't keep this up for long. He looked up so the rain could hit his face and not his helmet as he looked to the rest of the gathered party.

[3/16/2024, 8:22:00 PM] Lorelei Greythorne

{Game Time: Oct 26, 2023 00:03}

Lorelei was huddled under her hood, trying her best to protect her hair as if it were her firstborn child. Close to Maxwell, she studies what terrain she can see through the gap, free hand adjusting the strap of her quiver around her leather doublet.

[3/16/2024, 8:22:18 PM] Einar Rockstrider

{Game Time: Oct 26, 2023 00:03}

Einar Rockstrider keeps his eyes scanning the path as they make closer to the clearing. Blinking away the water as best he can. "Damned Kzul." Keeping his place in the line he follows.

[3/16/2024, 8:22:54 PM] Adalbert

{Game Time: Oct 26, 2023 00:03}

Adalbert moved with the group, his cloak heavily soaked with rainwater. While it was not necessarily unwelcomed, he certainly wished it would break sooner rather than later. He adjusted his blade and armor, and kept trudging forward.

[3/16/2024, 8:23:33 PM] Melio'rai

{Game Time: Oct 26, 2023 00:03}

Striding down the path, Mira scouts as best she can in the haze of weather that beats down upon the road.

[3/16/2024, 8:24:06 PM] Riji Calderon

{Game Time: Oct 26, 2023 00:03}

Riji looks over to Adalbert beside him, "A Raine in the rain. The gods chuckle and piss on us, if only to make light of the situation." he smiles over to him wide.

[3/16/2024, 8:24:58 PM] Maxwell Rene

{Game Time: Oct 26, 2023 00:03}

Maxwell Rene can't help but chuckle at the comment.

[3/16/2024, 8:25:02 PM] Einar Rockstrider

{Game Time: Oct 26, 2023 00:03}

Einar Rockstrider laughs as he catches the jest towards Adalbert. "Clever, if only his name was sunshine."

[3/16/2024, 8:25:12 PM] Thyra Auvray

{Game Time: Oct 26, 2023 00:03}

Thyra Auvray continues forward her black cloak swaying with the wind, each step causing a squishing sound under her boots as she walked through the mud.

[3/16/2024, 8:25:23 PM] Melio'rai

{Game Time: Oct 26, 2023 00:03}

Moving to the tree line, Mira keeps a sharp eye for any movements before the group.

[3/16/2024, 8:25:47 PM] Adalbert

{Game Time: Oct 26, 2023 00:03}

Adalbert turns slowly and gives Riji a look of bored indulgence. "How original, oh gods above, what humor..." He smacks Riji on the back of the head good naturedly, pushing past him as he does so.

[3/16/2024, 8:27:18 PM] Aramanda
