[5/17/2024, 8:06:50 PM] Nahele My'runji

{Game Time: Oct 26, 2023 00:04}

Nahele My'runji would enter the chapel wearing a striking white ensemble, centered around an open-front, long cloak. Scattered across the cloak are off-white depictions of birds that seamlessly blend into the light, flowing fabric, moving gracefully with his every step. Underneath, his attire continues in white, comprising a white undertunic and overtunic. A white leather belt cinches his waist, adorned with an avian motif that extends to an off-white buckle shaped like a bird, crafted from burnished silver. Beneath the belt, a broad off-white sash adds to the layered elegance of his outfit. He completes his look with loose-fitting trousers and white leather boots, ensuring both comfort and style. His dark skin stands out prominently against the white that covers his body, amplifying the striking appearance of the antlers extending from his forehead. These antlers curve gracefully along his head from front to back. His short, tightly woven afro-centric curls remain largely unchanged for this event, though he has adorned his cheekbones with flecks of silver-like paint, which complement his bronze-colored eyes beautifully.

[5/17/2024, 8:10:10 PM] Melio'rai

{Game Time: Oct 26, 2023 00:04}

Mira makes her way to a comfortable distance from the main proceedings, not being one who is entirely comfortable in such formal processions.

[5/17/2024, 8:12:25 PM] Tonili My'runji

{Game Time: Oct 26, 2023 00:04}

Tonili My'runji Slowly Tonili made her way into the chapel. Adorned in the dress she had from the gala, altered slightly to draw in the train, making the skirting more form fitting and without the long opening that had shown her long legs. The gown, the color of pale turquoise adorned with gold leaf and feather patterns, flowed elegantly as she moved toward where her brother sat. Furtively her iridescent green gaze fluttered about those that had already entered. All the while her hands hidden under a shawl made of the extra material from her dress. "Greetings Brother.

Hope you do not mind if I sit with you.” spoken in her thick Py’rian accent as she lowered to the seat adjacent to Nahele.

[5/17/2024, 8:13:16 PM] Almark Raine

{Game Time: Oct 26, 2023 00:04}

By the alter, Almark Raine hardly moves his gaze from the sanctuary doors. Dressed in royal purple with golden accents, his longcoat reaches down to the backs of his feet, just shy of touching the floor. His eyes do finally move away from the sanctuary doors, and he looks among the attendees. Much of his family is seated already, save for himself and Adalbert, who's at his side. His hands fold in front of him, and the Duke appears just a touch anxious. That detail would be hard to see from any distance, but Aramanda and Adalbert are quite close enough.

[5/17/2024, 8:14:18 PM] Maxwell Rene

{Game Time: Oct 26, 2023 00:04}

Maxwell Rene hasn't attended a ceremony like this for quite some time, he didn't even have an outfit fit for the occasion. But, his budget is reasonably flexible, and the circumstance was befitting it, so he purchased this new addition to his wardrobe, currently the most expensive outfit he owns. The suit is a monochrome piece, composed of plain white and black hues. Primarily defined by a decorative coat, it also possesses long frills at the sleeves and collar.

[5/17/2024, 8:14:46 PM] Iulliana

{Game Time: Oct 26, 2023 00:04}

Iulliana entered quietly on the arm of Archibald Raine. She wore a lilac and pale pink dress made recently just for this occasion. For once her hair fell loose in dark waves nearly reaching her waist, a small braid pulling some of it back secured with a pearl comb to keep it out of her face. Her eyes lowered reverently as the couple made their way to the seats near the altar, Archibald scanning the rows of guests as they walked before looking to where his brother stood at the altar. He dipped his head in greeting to the man, and Iulliana raised her eyes to offer a small smile as well before taking their seats.

[5/17/2024, 8:15:22 PM] Nahele My'runji

{Game Time: Oct 26, 2023 00:04}

Nahele My'runji Looking around the chapel, he was still amazed by the architecture of the structure. He had already visited this place once before, but now, with it filled with people and the music lightly playing, he felt that it had transformed slightly. He then glanced toward Tonili with his bronze-hued eyes and spoke in a hushed tone, "Dear sister, I'm not sure how all this plays out, but try to cover up slightly. However, I am fine with you sitting with me."

[5/17/2024, 8:16:33 PM] Ezlain

{Game Time: Oct 26, 2023 00:04}

Subtly arriving to the church, Ezlain enters wearing a soft blue colored suit, somewhat tight fitting with a small bowtie on his collar. his hair slightly styled for the occasion. He gazes around the room, spotting a few familiar faces, his face slowly becoming more relaxed with maybe even a bit of slight disappointment mixed in his expression. He proceeds to make his way to a seat

further back, sitting down next to Maxwell. "Well met, doctor." He fidgets slightly, pulling his collar a bit more loose, before settling in.

[5/17/2024, 8:16:58 PM] Adalbert
{Game Time: Oct 26, 2023 00:04}

Adalbert makes brief eye contact with his father, and at a glance the two Raine men seem to be wearing similar attire, though subtle differences set them apart. Where gold accents were present on his father, Adalbert's were more silver in appearance, and his coat not nearly as long, reaching to just above the back of his knees. He shifted slightly, adopting a more comfortable stance for a moment, his eyes glancing across those gathered.

[5/17/2024, 8:17:30 PM] Melio'rai
{Game Time: Oct 26, 2023 00:04}

Mira looks around at guests elegantly dressed in regal level attire, and glances down at her hunting leathers. 'Sitting further back wasn't such a bad idea.' she thinks to herself. She pulls a small dagger and begins to clean the dirt from under her nails.

[5/17/2024, 8:18:48 PM] Maxwell Rene
{Game Time: Oct 26, 2023 00:04}

"Indeed, Ezlain. Excellent attire, you always seem to find the most fashionable coats I've ever seen. I'm almost envious." He chuckles a bit, allowing some levity into the conversation.

[5/17/2024, 8:21:20 PM] Tonili My'runji
{Game Time: Oct 26, 2023 00:04}

Offering a delicate snort behind her hand she dipped her chin. "Yes Brother." taking the shawl and draping it around her bare shoulder before taking up any excess of the skirting to cover her one bare knee. A light roll of her eyes as she complied showed her light irritation and confusion about all this pomp. Turning in her seat, slightly as she heard familiar voices, she offered a light wave to Ezlain and Maxwell.

[5/17/2024, 8:22:10 PM] Maxwell Rene
{Game Time: Oct 26, 2023 00:04}
Maxwell Rene politely waves back.

[5/17/2024, 8:23:42 PM] Duke Almark Raine
{Game Time: Oct 26, 2023 00:04}

Given the magnitude of the event, the few Raine guardsmen line the wall on Almark's side of the sanctuary. About a dozen of them are present, dressed in well-kempt and polished silver armor with purple accents, denoting their allegiance to House Raine. Among them is the Sir Bainwyn Aris, Almark's most trusted Crucible Knight. When he sees Mira brandishing a knife, his gaze upon her is somehow both muted and intense. Clearly, the presence of weaponry is not being treated kindly by security, yet the Raine Guards hold their positions.

[5/17/2024, 8:24:26 PM] Melio'rai

{Game Time: Oct 26, 2023 00:04}

Mira glances to her right, finding comfort in the presence of other Py'Rai, though they apparently got the memo on proper dress attire.

[5/17/2024, 8:24:50 PM] SKimura

{Game Time: Oct 26, 2023 00:04}

Walking in quietly, yet smiling from ear to ear was Shepvora. The woman was dressed in all green, her hair neatly braided down her back. She emulated the emotion of joy as she moved, as if it was her own wedding day. As she walked down past the various pews, she hummed along, eventually taking a seat in the second row on the right, just ahead of Nahele and Tonili. As she took her seat she'd look to them both with a wide smile. "What a wonderful day, don't you agree!" She could hardly hold in her excitement for what was to come.

[5/17/2024, 8:24:58 PM] Nahele My'runji

{Game Time: Oct 26, 2023 00:04}

Nahele My'runji taking a moment to sigh, Nahele kept a side eye on his sister for just a bit longer before he looked forward, but he kept his tone at a whisper, "Aelans like all these fancy ceremonies. They like to dress up and have fancy indoor affairs, but they aren't too different from us. We have our ceremonies, which I'm sure they'd look at curiously too. We can try to respect the affair as best as we can."

[5/17/2024, 8:25:28 PM] Ezlain

{Game Time: Oct 26, 2023 00:04}

"Not so bad yourself, the presentation is very... eloquent?" He struggles to find the words, clearly uncomfortable in such a formal setting, though his shoulders lax a little from your levity. "They say the outfit makes the man, I always try and keep a discerning eye for large coats I can retract into." He smiled, waving back to Toni with Maxwell.

[5/17/2024, 8:28:38 PM] Maxwell Rene

{Game Time: Oct 26, 2023 00:04}

"They add much to the silhouette, I agree, a good coat can be quite impactful to one's presence." "Ever attended a formal occasion quite like this? I've been to academic conferences of many sorts, but I admit that this is a bit above my usual. Still, fear not for your composure, one's own internal worries will always be far worse than how you actually appear from the outside. Without my expertise and intuition on this subject, I don't suspect any observer would have even noticed you were nervous."

[5/17/2024, 8:28:53 PM] Tonili My'runji

{Game Time: Oct 26, 2023 00:04}

Tonili My'runji leaned closer to Nahele to hear what he was saying, as more people filtered in. "Of course I would not wish to not be respectful. I suppose I should have asked for more details or read up on this custom. Thank you for helping me fit in a bit more."

[5/17/2024, 8:31:31 PM] Nythrim
{Game Time: Oct 26, 2023 00:04}

Nythrim arrives totally, definitely on time, scanning the area for somewhere appropriate to sit. Knowing very few people, they decide to take a seat somewhere near the back, like a cool kid. And not a square.

[5/17/2024, 8:31:40 PM] Iulliana
{Game Time: Oct 26, 2023 00:04}

Remained quiet in her seat, but small glances over her shoulder to the murmuring voices around her. Her hand slid down Archibald's arm, and fingers laced with his to try and steady her nerves in the chapel as it grew more crowded.

[5/17/2024, 8:32:32 PM] Tonili My'runji
{Game Time: Oct 26, 2023 00:04}

Tonili My'runji turned again and waved to Nythrim as they entered. A bright smile on her face seeing her newer friends.

[5/17/2024, 8:33:10 PM] Nahele My'runji
{Game Time: Oct 26, 2023 00:04}

"It is good to see you again, though." Nahele smiled offer respite from his brotherly duties as he whispered to Tonili.

[5/17/2024, 8:33:37 PM] Nythrim
{Game Time: Oct 26, 2023 00:04}

Nythrim met Tonili's gaze and smiled brightly, offering her two fingers up in a V-formation as a greeting of... relatively contemporary peace.

[5/17/2024, 8:34:12 PM] Melio'rai
{Game Time: Oct 26, 2023 00:04}

Ahh to be out running through the mossy floor of the forest chasing foxes. 'I am not made for sitting for any length of time' Mira quips to herself.

[5/17/2024, 8:34:39 PM] Duke Almark Raine
{Game Time: Oct 26, 2023 00:04}

Almark looks over to Adalbert, taking a long, slow breath as he internally goes over all the ways he could find to headbutt someone.

[5/17/2024, 8:35:49 PM] Tonili My'runji
{Game Time: Oct 26, 2023 00:04}

"It seems like it was just yesterday I was covered in soot and taking that chimney down. It is always good to see you. I have missed you often in our separations." speaking softly to Nahele of course

[5/17/2024, 8:36:15 PM] Adalbert

{Game Time: Oct 26, 2023 00:04}

Adalbert notices his father's glance and reaction, recognizing it after the many times he's managed to foul something up. He whispers "I am not going to cause a scene, I'm sober. Relax, you'll be fine."

[5/17/2024, 8:36:29 PM] Ezlain

{Game Time: Oct 26, 2023 00:04}

"I see, though you seem to have noticed quite quickly as an outside observer." He says looking away with a nervous chuckle and itching a spot behind his ear briefly. there is a small pause before he lets out a more relaxed sigh and turning back to Maxwell. "Only formal event I've attended before was the Gala, where they announced the union of Kimura and Raine. I'm still discovering my confidence in these situations, but you know... exposure is the best method I hear. Thank you for the assurance though."

[5/17/2024, 8:37:09 PM] Nahele My'runji

{Game Time: Oct 26, 2023 00:04}

"Separations? Maybe you're thinking more like an Aelan than you know," Nahele offered with a smirk. "A month or two is nothing, is it?"

[5/17/2024, 8:37:17 PM] Almark Raine

{Game Time: Oct 26, 2023 00:04}

Almark Raine offers a faint smile, though it may lend to his next words being jestful. "Oh, I wouldn't suspect you of that, son ..."

[5/17/2024, 8:38:52 PM] Adalbert

{Game Time: Oct 26, 2023 00:04}

Adalbert grins, and shakes his head. "I'm surprised you haven't been crushed under the mountain of bullshit you just spewed..."

[5/17/2024, 8:40:36 PM] Nythrim

{Game Time: Oct 26, 2023 00:04}

While waiting for things to get underway, Nythrim begins to fuss with some greenery they'd plucked along the way, weaving the stems of little leaves together in a simple plait in their lap.

[5/17/2024, 8:41:11 PM] Ezlain

{Game Time: Oct 26, 2023 00:04}

Spotting Mira up in front of him, Ezlain gives a curious look, realizing that he is staring he looks around quickly to find somewhere else to gaze, before defaulting back over to Maxwell.

[5/17/2024, 8:41:31 PM] Maxwell Rene

{Game Time: Oct 26, 2023 00:04}

"Well, allow me to grant you my most significant reassurance: Even the most experienced of professional speakers still tremble a little when they present. It is simply natural to be nervous in crowded, important events. It will never fully disappear, so I insist that you should feel *no* shame for it. Everyone else in the room feels exactly the same as you do." "It seems like such a simple thing, to let someone know that their feelings are normal and justified, yet it is a sentiment too often left unsaid. Trust me, you aren't one bit 'out of place' or 'too inexperienced'. You are doing just fine."

[5/17/2024, 8:41:44 PM] Tonili My'runji

{Game Time: Oct 26, 2023 00:04}

Tonili My'runji Offered a side glance to Naele with her typical smirk of mischief. "You may be right I have had much more interactions with Aelans than any other, as of late. Lady Kimura has been a wonderful mentor in learning my duties." It felt like a murmured hush sent a wave through the room, caused Tonili to hush and look around with large eyes of excited expectation.

[5/17/2024, 8:47:24 PM] Sersei Kimura

{Game Time: Oct 26, 2023 00:04}

As the music swells, the doors to the Sanctuary open, revealing Sersei, flanked by Khalil and Sergio on either side. While both men are adorned in House Kimura's signature green, Sersei stands out in a resplendent gold gown. Characterized by its intricate design and luxurious fabrics, the gown is a rich golden hue, adorned with elaborate embroidery and embellishments that lend it a regal and majestic appearance. The dress features a high neckline and long sleeves, both intricately decorated with detailed patterns. The bodice is fitted, emphasizing the waist before flowing into a voluminous skirt. The skirt itself is adorned with symmetrical, ornate designs, adding to the gown's overall grandeur. A standout feature of this wedding gown is the matching veil, which is long and flowing, draping elegantly over the entire ensemble. The veil is richly decorated, featuring intricate patterns that mirror those on the dress, creating a cohesive and harmonious look. The veil covers the head entirely, obscuring the face as tradition dictates. With a heavy breath, Sersei glances briefly at her brothers, her eyes connecting with them both, saying nothing yet conveying so much.

[5/17/2024, 8:47:31 PM] Sergio Kimura

{Game Time: Oct 26, 2023 00:04}

Sergio Kimura would be wearing a dark green dress suit, suitable for a noble. His hair is well-combed and slicked back for the occasion. He stands beside his sister, his elbow locked with hers, as he prepares to walk her toward the chapel.

[5/17/2024, 8:48:27 PM] Ezlain

{Game Time: Oct 26, 2023 00:04}

Ezlain sits up a little straighter while listening to Maxwell's reassurance, nodding in thought as he spoke. A small smile playing at the edges of his lips. "That's very insightful, I suppose I hadn't considered that everyone else could feel the same way. He crosses one leg over the other and

clasped his hands in his lap, feeling a little more relaxed thanks to Dr. Rene. Suddenly his attention turns to the entrance.

[5/17/2024, 8:48:40 PM] Khalil Valure

{Game Time: Oct 26, 2023 00:04}

Dressed in an all green suit, the differing shades varied some by layer. The coat in the traditional green of the Kimura household. At a close glance, it'd be clear though his attire was only moderately fancy, it's quality was unmatched, fitting his body perfectly. His black hair and beard were meticulously groomed and well kempt. Situated on the opposite side of Sersei, he stands with her arm locked into his elbow as they move

[5/17/2024, 8:51:01 PM] Sergio Kimura

{Game Time: Oct 26, 2023 00:04}

Sergio Kimura would reach across his chest with his other hand and touch Sersei's hand, giving her a reassuring nod before looking forward, ready to proceed.

[5/17/2024, 8:52:18 PM] Tonili My'runji

{Game Time: Oct 26, 2023 00:04}

Tonili My'runji as the music starts and the doors open, she turns to see the procession at the rear of the cathedral. A soft ooo drips from her lips as she see how lovely Lady Kimura looks. Her eyes also glittered with delight seeing Khalil adorned in such a regal suit. Seeing the other man her head canted, for she had not met but heard about Sergio. Very impressive looking as they all moved as one.

[5/17/2024, 8:52:51 PM] Nahele My'runji

{Game Time: Oct 26, 2023 00:04}

Nahele My'runji glanced over his left shoulder toward the entrance of the chapel. He saw Sersei, whom he thought looked nice in her dress, and then noticed Khalil and Sergio. He maintained a neutral expression on his face—not because he wasn't happy or engaged in the moment, but simply because this was his natural demeanor.

[5/17/2024, 8:53:03 PM] Khalil Valure

{Game Time: Oct 26, 2023 00:04}

Khalil Valure looked towards Sersei with a soft smile, meeting her eyes, the unspoken words te..ing her whenever she was ready, he was too.

[5/17/2024, 8:53:15 PM] Khalil Valure

[5/17/2024, 8:53:22 PM] Iulliana

{Game Time: Oct 26, 2023 00:04}

Looked up from where she had started to lean into Archibald as the change in music occurred. A small smile came to her lips as her attention was drawn to the door where the bride entered

with the two men on her arms. A soft tilt of her head was given as she recognized Khalil in the place beside Sersei. After a moment she looked up to where the Duke stood in waiting for what was to come. Still her hand held onto the bard's beside her. Looking back toward the door, a gentle smile made its way to her lips at the moment.

[5/17/2024, 8:54:12 PM] Melio'rai
{Game Time: Oct 26, 2023 00:04}

As the music begins Mira surrenders to the atmosphere and celebration at hand. She finds herself surprisingly emotional for her non Py'Rai friends.

[5/17/2024, 8:54:43 PM] Nythrim
{Game Time: Oct 26, 2023 00:04}

Nythrim glanced at the woman of the hour, then to Nahele, just to observe his reaction and maybe confirm or dissolve their lasting suspicions. They quirked a brow at his incredibly difficult to read expression, then turned their attention back to the bride to be.

[5/17/2024, 8:54:49 PM] Almark Raine
{Game Time: Oct 26, 2023 00:04}

Almark Raine straightens almost imperceptibly upon the entrance of Sersei Kimura. His hands stay folded in front of him, and he stands at a slight angle, watching her with an unbroken focus. His expression seems neutral at first, but a faint smile starts to appear, in stark contrast to the Duke's public persona. He now looks like some imposing public figure, and more like the gently nervous soon-to-be-husband one might expect. As for Sergio and Khalil, it isn't obvious that Almark has noticed either of them

[5/17/2024, 8:55:32 PM] Ezlain
{Game Time: Oct 26, 2023 00:04}

Ezlain's eyes open a little wider, never had he seen so much gold, such radiance in something as simple as a dress, the beauty of Kimura seemed as though manifested by light itself, propagating like a wave over his amber irises.

[5/17/2024, 8:58:49 PM] Adalbert
{Game Time: Oct 26, 2023 00:04}

{Game Time: Oct 26, 2023 00:04}

As Sersei made her entrance, Shepvora did everything she could not to squeal out, her eyes locked on her mistress. Although she had seen the dress prior, it was another thing to see

Sersei in it as she would begin her walk down the aisle. "She's so beautiful...." Her eyes glazed over in joy, she'd briefly look to Almark to see his reaction.

[5/17/2024, 9:04:03 PM] Almark Raine

{Game Time: Oct 26, 2023 00:04}

Almark Raine is just staring at Sersei, when Shepvora looks his way. The man may need to be reminded at some point that he's at his own wedding.

[5/17/2024, 9:06:16 PM] Sersei Kimura

{Game Time: Oct 26, 2023 00:04}

With one step forward, Sersei would move with her brothers at her side. The woman's face covered, she could see just ahead of her, but not yet make out her intended. Her dress was heavy, so she moved slowly, but would walk along, the aisle. Her strands of her dark hair curled out from underneath her veil.

[5/17/2024, 9:07:07 PM] Adalbert

{Game Time: Oct 26, 2023 00:04}

Adalbert looks to his father, clearing his throat discretely to try and bring him back into the moment. Shifting his stance, a wooden box visible in his hands. "Get your head in the fight, or I'll headbutt you in front of Resna and everyone present", he whispers "And I don't want to do that."

[5/17/2024, 9:07:13 PM] Khalil Valure

{Game Time: Oct 26, 2023 00:04}

Khalil Valure Lead Sersei down the aisle in tandem with Sergio, his blue eyes scanning the crowd as they moved.

[5/17/2024, 9:09:32 PM] Sergio Kimura

{Game Time: Oct 26, 2023 00:04}

Sergio Kimura looking forward, his eyes met Almark's, the man who was going to take his sister's hand. His face remained impassive, giving no hint of his thoughts, but his eyes locked onto the duke with intensity as he continued to escort his sister.

[5/17/2024, 9:12:01 PM] Almark Raine

{Game Time: Oct 26, 2023 00:04}

Almark Raine hears Adalbert, probably, but not much is reaching him. As he stares at Sersei, he suddenly realizes she's halfway across the room. His attention is eventually drawn by her brother, who's staring intensely at Almark. And Almark can't help but give the rescued Sergio a faint wink. Keeping his smile, he returns his attention to Sersei, trying not to think about his rumored heart attempting to break free from his chest.

[5/17/2024, 9:14:00 PM] Tonili My'runji

{Game Time: Oct 26, 2023 00:04}

Tonili My'runji looked from one face to another as she observes the various exchanges going around the room. Her long fingers wrapping around the top of the pew as she kept watching, enthralled and possibly amused.

[5/17/2024, 9:14:36 PM] Nahele My'runji

{Game Time: Oct 26, 2023 00:04}

Nahele My'runji just kept his gaze on the group moving up the aisle. His expression didn't change, simply his eyes followed their steps.

[5/17/2024, 9:15:12 PM] Sersei Kimura

{Game Time: Oct 26, 2023 00:04}

Now halfway down the aisle, Sersei looks up and can make out Almark. A smile grows on her face, as she tries to match eyes with his. She'd tug on her dress just a bit more, to help her front forward. Sersei's own heart beating faster as she gets closer to the altar.

[5/17/2024, 9:15:31 PM] Nythrim

{Game Time: Oct 26, 2023 00:04}

If they were a note-taker, Nythrim would be taking a wild amount of notes about the interesting exchange of looks the groom was exchanging with the bride's chaperones down the aisle. But they weren't, so they just watched with an almost intense look of intrigue.

[5/17/2024, 9:17:51 PM] Maxwell Rene

{Game Time: Oct 26, 2023 00:04}

Maxwell Rene has remained poised and unmoving. Like a statue, capturing a pose of professional posture. His stance is formal and perfectly fixed, as though it were practiced and rehearsed (it was). He moves only to turn his head, continually facing the group as they walk past.

[5/17/2024, 9:18:34 PM] Archivist Ezlain

{Game Time: Oct 26, 2023 00:04}

As Ezlain observed their walk down the aisle, it was only then that he realized something else entirely: Just maybe there is a kind of magic in ceremonies like this. Something arcane about the amount of care and love within the hearts of those present. He smiles softly at the sentiment, continuing to sit in his relaxed state.

[5/17/2024, 9:18:34 PM] Almark Raine

{Game Time: Oct 26, 2023 00:04}

Almark Raine can't tell for certain if he's locked eyes with Sersei, but he's fairly certain she can see him, by now. In a subtle motion, one hand turns palm-up, though still down in front of him as if already asking for her hand from across the room.

[5/17/2024, 9:20:03 PM] Khalil Valure

{Game Time: Oct 26, 2023 00:04}

Now halfway to their destination his gaze focused on those waiting ahead, from priestess to Adalbert, finally settling on Almark for a bit. His soft smile remained throughout, he felt comfortable enough with the man who Serxei was about to wed.

[5/17/2024, 9:21:38 PM] Sersei Kimura

{Game Time: Oct 26, 2023 00:04}

Continuing to move, Sersei briefly looks over her shoulder to Nahele, Tonili and Shepvora, before looking over to Iluliana, Archibald, Bellamine, and Zahra. Taking another breath, she walked forward until she was right below the Alter. Giving her brothers another look, she smiled to them and whispered under her breath. "I love you both, thank you."

[5/17/2024, 9:22:08 PM] Iulliana

{Game Time: Oct 26, 2023 00:04}

Moved every so slightly so that she could get a bit of a better look at the warm exchanges between Sersei and Almark. Did the Duke actually have a heart as she suspected? Her smile warmed, and she squeezed Archibald's hand. A small bit of closeness with the man as she did lose herself just a little to the romance of the moment.

[5/17/2024, 9:23:10 PM] Adalbert

{Game Time: Oct 26, 2023 00:04}

Adalbert fixes his gaze on the approaching party, the ghost of a smile still dancing on the periphery. He shifts the box in his hands slightly, glad that it wasn't obscenely heavy.

[5/17/2024, 9:24:35 PM] Sergio Kimura

{Game Time: Oct 26, 2023 00:04}

Sergio Kimura pulling his gaze from Almark, he looked over to his sister, gently bringing her hand up and kissing the back of it. "I will always love you, my sister, and will be here if you ever need me," he commented softly. His eyes shifted to Almark as he offered his sister's hand to the duke.

[5/17/2024, 9:25:02 PM] Ezlain

{Game Time: Oct 26, 2023 00:04}

{Game Time: Oct 26, 2023 00:04}

"Love you too."

[5/17/2024, 9:27:21 PM] Almark Raine

{Game Time: Oct 26, 2023 00:04}

Almark Raine glances down to ensure Adalbert is holding the small wooden box they would need before returning his attention to Sersei. Even with all this time to look at her magnificence, Almark takes a long pause to even realize Sergio is holding Sersei's hand out to him. As if he hadn't just been caught red handed, entranced, he quietly clears his throat, holding out his hand to accept Sersei's. He does summon up the presence of mind to look at Sergio and Khalil, both. At a private volume, he regards them. "Thank you for your trust." With that, Sersei has his attention, once more. Slowly, being mindful of her dress, he guides her before him, so they both stand facing each other in front of Priestess Armanjani.

[5/17/2024, 9:29:40 PM] Tonili My'runji

{Game Time: Oct 26, 2023 00:04}

[5/17/2024, 9:29:53 PM] Aramanda

{Game Time: Oct 26, 2023 00:04}

As those gathered begin to silence and settle, Ara turns from the altar to face the open chapel with a smile and outstretched hands of welcome. "Ladies and Gentlemen, esteemed guests from near and far, welcome to this joyous and magnificent occasion, the union of Duke Almark Raine and Lady Sersei Kimura. Today, we gather not just to witness the joining of two individuals in marriage, but to celebrate the coming together of two great houses, each revered for their strength, wisdom, and dedication to the well-being of their people." "We are honored by each of your presences here today, a testament to the bonds of family, friendship, and respect that both Duke Almark and Lady Sersei hold dear. Your journey, whether long or short, to be here with us is greatly appreciated and adds to the joy and sanctity of this moment." "As we proceed with today's ceremony, let us fill every minute with joy and celebration. Today, we come together to witness and bless the union of these two souls, bound by commitment and love. May their journey be as the river that flows — ever onward, nourishing and strong." "As we reach this pivotal moment, it is customary to ask if there are any objections to this union. If anyone here has cause to believe that these two should not be joined in matrimony, speak now or forever hold your peace." Her gaze sweeps across the congregation, inviting any expressions of concern or protest, providing a solemn pause in the proceedings.

Decades of rule or fighting, only to be humbled by your hand. It was ... frightening, but ... in a way that left me yearning for more. Every lit fireplace, if I watched it, would eventually trace out your form, as if you had danced your way into my heart without the faintest effort."A brief pause follows as he gives her joined hands a brief, gentle squeeze."I love you, Sersei. As much as you and I have both endured on our own, I don't wish to face it alone, anymore. When you are at your greatest, I will be there to support you ... and when you taste defeat, I will be beside you no matter how low we both fall."His smile becomes a bit cheekier, for just a moment. Our commitments are not mere words; they are filled with the shared values and traditions of our people and our families. Standing here, supported by my brothers, I am overwhelmed with pride and joy to share this moment with them. What was once lost has been found, and what was broken is now healing. As I look across to your family, I am heartened to know that they are now my family too. Our table will never be empty. Both of our families have endured loss, and though we can never replace those who are no longer with us, I feel their presence with us on this sacred day. Almark, my beloved, we have not always seen eye to eye. Yet, through fate, our paths have crossed, and we have found peace with one another. In you, I see someone strong and wise, a heart that has endured much pain and emerged resilient. I see a part of myself in you, perhaps more than you know or more than I might readily admit. With these sacred vows, I pledge to bless this day and share our future together as one. I promise to stand by your side, to support and cherish you, to honor our union with love, respect, and unwavering commitment. Together, we will face whatever challenges come our way, confident in the strength of our bond and the love that unites us.
